

*Canada is wonderful country
I wish I could live happy and free
I miss the landscapes without factory*

*It has an interesting history
But there is not a documentary
I woul like to tell its story*

*I dream about a beautiful fairy
I'd like to be a beautiful fairy
Who lives in a tree sanctuary*

Canada is a wonderful country
I wish I could live happy and free
I miss the landscapes without factory

It has an interesting history
But there is not a documentary
I would like to tell its story

I dream about a beautiful fairy
I'd like to be a beautiful fairy
Who lives in a tree sanctuary
